

Highly detailed or “confidential” microdata from other countries are often not available for research purposes. Or, if they are available, researchers have to go through diverse national accreditation processes and self-finance their access. To enhance access across borders to official microdata for comparative research, **Data without Boundaries** gives you the unique opportunity to work with data from a number of European countries.

This is a continuous call and there will be additional opportunities to apply. The next upcoming \* **deadline is 15th October 2012**

\*. Additional deadline dates are 15th April and 15th October in 2013 and 2014.

The call is available as [pdf \(240 kB\)](#) , instructions can be found on the [website](#).
