

More than twenty participants attended a workshop on "Digital curation in the human sciences", organised by Costis Dallas and Peter Doorn on 30/9 and 1/10 in Corfu as part of the [2009 European Conference on Digital Libraries](#)

. Speakers included H. Beedham (CESSDA), M. Wynne (CLARIN), S. Ross (University of Toronto), P. Constantopoulos (DCU), P. Buneman (DCC), T. Blanke (CeRch), R. van Horik (DANS), E. Toms (Dalhousie University) and E.A. Haswell (University of Copenhagen); a fascinating discussion, chaired by Seamus Ross, rounded up the workshop. Publication plans are currently under consideration.
