

The International Conference on Research Infrastructures (RI), ICRI 2012, will take place on 21-23 March 2012 in Copenhagen under the auspices of the Danish Presidency of the European Union. This will be the Seventh Conference on Research Infrastructures supported by the European Commission but for first time it will address the international aspects of the RI including e-Infrastructures activities and their role for tackling the Global Challenges.

To get more information about the ICRI concept, please follow this link: http://ec.europa.eu/research/infrastructures/pdf/icri_concept.pdf

More information about the conference you will find here: <http://www.ereg.me/ehome/31679/50320/?&>
