

DARIAH and its partners are pleased to report on the recent launch of the [Digital Humanities Observatory](#) (DHO), a project of the Royal Irish Academy. Susan Schreibman, Director of the DHO, is a member of the DARIAH Steering Committee for the Irish Research Council for the Humanities and Social Sciences.

From the DHO website:

*The DHO has in a few short months begun to effectively establish its presence and deliver on its pledge to become a knowledge resource providing outreach and education on a broad range of digital humanities topics. As a digital repository it positioning itself to provide data management, curation, and discovery services supporting long-term access to, and greater exploitation of, digital resources in the creation of new models, methodologies, and paradigms for 21st century scholarship.*
