Digital Repository of Ireland
Taisclann Dhigiteach na hÉireann

The Digital Repository of Ireland are advertising a **Educational Technologist role for the DRI**. The Educational Technologist will be employed on a three year fixed term contract (four day week) **starting 1st August 2012**.

This contract is funded under PRTLI 5 and will be filled on a three year fixed term contract (four day week). The successful applicant must be in a position to start no later than the 1st August 2012. The Educational Technologist is an important, core role in the project team, having responsibility for the external presentation of DRI, DRI public events, and leading the skills and training programme of the project for the benefit of our stakeholders. The project office is based in Dawson Street, Dublin 2.
